Jim,

Mark mentioned to me the contractor working on the vivarium project will move the boxes for free. I will try to have Burt work with you and their contractor to get the boxes moved at your convenience. I am still looking for a lift for that room.

Thanks,

Stephen

Door should be fixed 4/4. But you can move the boxes any time just give us a few days notice.

Jim

Jim,

Microbiology is in need of the space we are currently storing DPH records in. I am getting a proposal from Sitterly to move the records to 224B. Can you please let me know what date might work best for you and I will try to schedule them for that day. I am under the assumption work on the door into 224B is complete.

Thanks,

Stephen
